BRIGIT'S
GARDEN
GAIRÍN BHRÍDE

ENERGY in Action

An exciting hands-on experience for 3rd-6th class!

- **Investigate** solar, hydro, wind and biomass technologies on site
- **Experiment** with energy using hand-cranked pumps & magnets
- **Explore** energy concepts: Food chains; insulation & conduction
- **Care** for the Environment: Reduce your energy use!

3 hour
programme
€9.50 per
student

Education and inspiration for
both pupils and teachers.

*"Excellent programme -
very practical & interesting, and
fits with our Green Schools".
-5th class teacher*
